EXPERIENCE

Emory University Office of Residence Life

Marketing + Digital Strategy Fellow

Atlanta, GA | Jun 2016 - Jun 2017

Spearheaded organizational management, content development, & final implementation of Housing Operations & Residence Life's Cascade 2.0 website. Successfully earned a silver ranking as a "Green Office" and won a \$1,500 grant to implement biophilic projects.

Emory Climate Organization

Co-Founder, Director of Web + Marketing

Atlanta, GA | Mar 2016 - May 2016

Catalyzed the organization after involvement in the UNFCCC COP21 climate negotiations in Paris, France. Constructed ECO's website (climate.emorydomains.org) and updated site with blogs, events, and news.

Emory University Office of Sustainability Initiatives

General Intern

Atlanta, GA | May 2015 - Aug 2015

Built an interactive sustainability map using the Leaflet Javascript framework & university GeoJSON data. Prototyped a mobile first, web-based sustainability pledge and a data-visualizing sustainability dashboard.

Emory University Campus Life

Communications Intern

Atlanta, GA | May 2015 - Aug 2015

Forged partnership with Barnes & Noble to publicize my designed "Sustainable Move-In List" and 6 sustainable product infographics. Boosted sustainability awareness and OSI brand recognition by strategically placing 30 "Sustainability Oak Leaf" vinyl stickers around campus.

Emory University Office of Residence Life

Resident Advisor

Atlanta, GA | Aug 2014 - May 2016

Created a home for 260 first-year students and collaborated with 26 other staff members to build community within ResHall. Conceived and organized 2 academic engagement events at Fernbank Planetarium attended by over 200 first-year students.

Fernbank Science Center

Astronomy Assistant

Atlanta, GA | Apr 2013 - June 2014

Crafted narrative tours of the night sky for 21 children's and public planetarium shows each week. Operated the Zeiss V projector, audio mixer, channel switcher, and other equipment.
