EXPERIENCE

Director, *iD Tech* | May 2018 - Aug 2018
- Directed Computer Science and Game Design courses at **Stanford University**, **UC Berkeley**, and other campuses in the Bay Area.
- Partnered with internal staff and external organizations in the Bay Area.
- Carried responsibility for the health and safety of 400 campers.

Consultant, *Voices for Georgia's Children* | Dec 2017 - May 2018
- Filmed and edited weekly videos on the organization's YouTube channel.
- Designed and managed weekly content for online publications about legislation and operating budgets (6,000+ followers).
- Produced a podcast about healthcare in rural Georgia, including on-site interviews.

Digital Strategy Fellow, *Emory University Residence Life* | Jun 2016 - May 2017
- Created marketing and informational materials for SkyFactor resident assessment and general office needs.
- Spearheaded development of Residence Life's Cascade 2.0 website.
- Supervised 350 students and directed 28 student staff in Longstreet-Means: the "Global Cultures" residence hall.

Director of Marketing, *Emory Climate Organization* | Mar 2016 - May 2017
- Co-founded the organization after involvement in the **UNFCCC** COP21 climate negotiations in Paris, France.
- Filmed and edited COP22, a 6-part educational video series on climate action.
- Fundraised for Emory's UN Climate Delgation by designing marketing strategy and materials.

Communications Intern, *Emory University Campus Life* | May 2015 - Aug 2015
- Forged partnership with on-campus **Barnes & Noble** to publicize designed sustainable product infographics.
- Boosted sustainability awareness by strategically placing "Sustainability Oak Leaf" vinyl stickers around Emory's campus.

Resident Advisor, *Emory University Residence Life* | Aug 2014 - May 2016
- Created a home for 260 first-year students with 26 other staff members in Evans, Few, and Turman: the "Living Green" themed residence halls.
- Trained weekly in leadership and ethics to learn team-building tactics, conflict resolution strategies, and learning development models.
